RE: *NARUC's Nomination of The Honorable Anne C. Boyle of the Nebraska Public Service Commission to Replace New Hampshire Commissioner Nancy Brockway as a NARUC representative to the North American Numbering Council. (Filed in CC Docket 92-237)*

Dear Chairman Powell,

Earlier this year, New Hampshire Commissioner Nancy Brockway left the commission to pursue other interests. Her departure leaves vacant one of the National Association of Regulatory Utility Commissioner's ("NARUC's") representatives to the critically important federal advisory committee providing input and expert advise to the Commission on numbering issues and administration.

In accordance with Section 25 of NARUC's *Policy Governing Committees and Representatives*, NARUC's President, Stan Wise, nominates THE HONORABLE ANNE C. BOYLE of the NEBRASKA PUBLIC SERVICE COMMISSION to fill the position on the NANC vacated by Commissioner Brockway. For your convenience, I have attached a short biographical sketch of Commissioner Boyle. I have also e-mailed copies of this letter to Christopher Libertelli, the current NANC Designated Federal Official, Kris Monteith, and Wireline Competition Bureau Chief Bill Maher.

If you have any questions about this nomination, please do not hesitate to call me at 202.898.2207 or jramsay@naruc.org.

Respectfully Submitted

James Bradford Ramsay
General Counsel
